

# PASSENGER INFORMATION

New security measures  
applicable to liquids, gels, creams, pastes and aerosols.

Effective from: 6 November 2006

## ➔ Items authorised in the cabin:

Bottles and tubes not exceeding 100 ml  
placed in a single, clear plastic zip-top bag  
measuring approximately 20x20 cm.

One bag per person

## ➔ Items prohibited at security checkpoints:

- Items placed in open or opaque plastic bags.
- Items which are overlaid or packed in a cluttered fashion.
- Containers of over 100 ml.

## Exceptions:

- Baby food required for the journey.
- Liquid medication accompanied by a prescription or medical certificate.

Place items in your hold baggage.  
**Only carry essential liquid items  
in your hand baggage**
